FACTS ABOUT CORONAVIRUS

- COVID-19, also referred to as ‘coronavirus,’ is a respiratory illness. Reported illnesses have ranged from mild symptoms to severe illness and death for confirmed coronavirus disease 2019 (COVID-19) cases.
- The following symptoms may appear **2-14 days after exposure**:
 - Fever
 - Cough
 - Shortness of breath
- The virus is thought to spread mainly from person-to-person.
 - Between people who are in close contact with one another (within about 6 feet).
 - Through respiratory droplets produced when an infected person coughs or sneezes.
- Travelers should strongly adhere to healthy travel practices, similar to recommendations associated with the U.S. flu season: wash hands often, cough into your elbow and sneeze into a tissue, avoid contact with people who may already be sick, etc.
- The State of Georgia has a new COVID-19 hotline. If you believe you are experiencing symptoms or have been exposed to the novel coronavirus, please contact your primary care doctor or urgent care clinic. **HOTLINE:** (844)-442-2681

OCONEE COUNTY SCHEDULE ALTERATIONS:

As the situation evolves, Visit Oconee is actively engaged in conversations with hospitality partners across our community to provide daily updates on attraction closures and event cancellations. To promote appropriate levels of social isolation and to lessen the spread of the virus the Welcome Center doors will be closed to visitors until further notice.

We’ve compiled a list of sites and activities that have altered schedules as a health precaution:

- *Eagle Tavern Museum*: Closed for tours until further notice.

- *Oconee Chamber of Commerce*: Update on canceled events posted on their [Facebook Page](#)
- *Oconee County Library*: The library will be closed until further notice
- *Parks & Rec*: All use of recreational fields and courts at Oconee Veterans Parks, Herman C. Michael Park, Bogart Sports Complex and Heritage Park, including soccer, softball, baseball, tennis courts, basketball courts, disc golf and playground is prohibited.
- *Government Buildings*: All Oconee County Government buildings, including the Oconee County Courthouse, Annex, and Board of Elections, will close to the public until further notice. All emergency services will continue to function, and non-emergency staff service is available via phone, email, and the county website.

Thank you for your patience and understanding as we work to navigate this evolving situation to best care for and protect our visitors and local community.
